

## **HOW WE HELP**

### **1. TABLE BANKING AND BUSINESS TRAINING**

Through table banking we give the extremely poor individual the best approach to begin building their financial assets and skills through savings rather than debts.

### **2. WIDOWS AND ECONOMIC EMPOWERMENT**

We invest in widows' economic project to set a direct path to eradication of poverty, gender equality and inclusive economic space.

### **3. PEOPLE WITH DISABILITY**

We help them by creating an all-inclusive society where persons with disabilities are affording the same respect, love and kindness as everybody else.

### **4. YOUTH EMPOWERMENT**

We allow them to take action in in order to improve their access to resource and transform their consciousness through their beliefs, values and attitudes.

### **5. ORPHANS AND VULNERABLE SUPPORT (OVS)**

Our aim is to improve health, education, protection and socio economic outcomes among children, adolescent and older persons living with and are affected by HIV, their caregivers and families.

### **6. COMMUNITY ICT HUB (COMMUNITY4TECH)**

Our goal is to transform lives through technology by enabling disadvantaged people to have access to technology resources and learn technology skills.

### **7. WATER SANITATION, WASH (HYGIENE) AND CLIMATE CHANGE**

We work tirelessly to protect children from the effects of droughts, flood, storms, rising sealevels, increased competition for water and climate related impacts.
